There is no charge for satchel inserts. Up to 200 people attend but numbers can vary greatly from year to year, and participants often register quite late. Material for the conference bags needs to arrive at the venue at least a week before the conference. Please indicate on the previous page if you need to deliver other materials early.

We are always trying to improve our conference. If you have attended in the past and have any suggestions for us, please write them below.

Once again, thank you for your support. Displays of resource materials are always very popular at our conference, with many participants citing them as one of the main reasons they attend.
