After turning into the main entrance, turn immediately left into Kapyong Road (banner and sign), then down to the bottom of the hill (banner and sign) and right into one of the parking bays in the carpark (at the top of the map).

The conference venue, Building 32, is a short uphill walk from the carpark.

If you have material to carry in to the conference, you can drive to the door of the main conference room (drive to the right of the central path). Please return to the carpark once you have unloaded.
